ANCHIALO MEDICAL BALNEOTHERAPY · NATURAL TOPICAL GEL WITH MAGNESIUM CHLORIDE & MAGNESIUM SULFATE

KEY BENEFITS

- **Fast-absorbing transdermal mineral therapy delivering natural Magnesium.**
- Relieves acute muscle cramps, spasms, stiffness, and joint fatigue.
- Deep soothing comfort for arthritis, osteoarthritis, sprains & tendon stress.
- Hydrates and rebalances skin with 100% pure Pomorie Black Sea lye minerals.
- Enriched with pure botanical Lavender extract for soothing synergy.

HARVESTED FROM POMORIE LAGOON · ANCIENT HEALING TRADITION

HOW TO USE

Apply a generous amount onto clean, dry skin over the affected area.
Massage gently until partially absorbed. Allow minerals to act for 30–60 min
or leave overnight for maximum therapeutic benefit. If desired, rinse with water.

CAUTION & STORAGE

For external topical use only. Avoid contact with eyes and open wounds.
Keep out of reach of children. Store in a cool, dry place (5°C – 25°C).
Protect from direct sunlight. Do not freeze.
